Carolina Family Practice welcomes new patients.

Carolina Family Practice has been caring for patients and their families in the Midlands since 1998. From sick visits to your annual check-up, we are here to care for you. Our providers are compassionate and experienced nurse practitioner faculty from the USC College of Nursing. We believe everyone should have access to quality primary health care, and that education and prevention are the keys to healthy families and individuals. When you choose a Palmetto Health-USC Medical Group provider you’re connecting with the area’s most specialized health care resource.

Same-day appointments are available. We offer early office hours for your convenience. For more information, call 803-256-2500.

Our health services include:

• Treatment and management of acute and chronic illnesses
• Annual wellness visits
• Wellness needs, such as sports or work physicals
• Immunizations and screenings
• Gynecological care
• Weight and stress management
• Laboratory testing
• Geriatrics assessment
• Mental and behavioral health screening and counseling
• Referrals, outreach and educational programs
