Parkridge Medical Associates welcomes new patients

Our board-certified family medicine physicians deliver informed, innovative, quality care.

Our practice is recognized by the National Committee for Quality Assurance (NCQA) as a Patient-Centered Medical Home and has achieved the Gold Level Award from the American Heart Association (AHA) for blood pressure control. This means we get to know you and work together with you to manage your health care.

Plus, when you choose a Palmetto Health-USC Medical Group physician you're connecting with the area's largest health care resource, including Prisma Health Baptist Parkridge Hospital.

To make an appointment, please call us at **803-907-7700**.

Monday–Friday 8 a.m.–5 p.m.
